Disclaimer: The product samples displayed in this brochure are indicative only of the finished product and no guarantee of the coloured or textured finish is given or implied. This is because colour and texture can vary due to many factors, including reproductive differences between the photographs in brochures, samples and displays and the actual product. There can also be variations in the consistency, appearance, quality and texture of natural ingredients, variations in colour additives, variations through the addition of water to the concrete, and from handling, placement and finishing techniques. For a closer representation of the samples displayed in this brochure please visit one of our Display and Selection Centres and discuss your requirements with your local Holcim representative. Holcim does not prepare the site or install or finish any product. For further information on preparation, installation and finishing touches (including sealing) please refer to our Handy Hints and Tips sheet and Best Practice Placement Guide. All Geostone products are supplied on Holcim's standard terms and conditions of sale.
