Disclaimer: The product samples displayed in this brochure are indicative only of the finished product and no guarantee of the coloured or textured finish is given or implied. Colour and texture can vary due to many factors, including reproductive differences between the photographs in brochures, samples and displays and the actual product. There can also be variations in the consistency, appearance, quality and texture of natural ingredients, variations in colour additives, variations through the addition of water to the concrete, and from handling, placement and finishing techniques. For a closer representation of the samples displayed, please visit one of our Display and Selection Centres and discuss your requirements with your local Holcim representative.

Geostone[®]
Naturally beautiful.
Powerfully resilient.

Geostone’s outdoor and indoor concrete solutions combine the power of concrete with the natural beauty of Australian stone. Choose from a range of regionally sourced Greater Perth stones to create beautiful concrete finishes that will elevate your home — both indoors and out.

Honed

Geostone’s honed concrete provides an even, smooth matt finish perfect for outdoor entertaining, alfresco and pool surrounds. Soft underfoot, Geostone honed concrete is the ideal balance of comfort and durability.

Polished

Geostone’s polished concrete provides a refined premium look, ideal for all internal spaces, including kitchens, living rooms and bedrooms. Soft underfoot, Geostone polished concrete brings warmth and beauty to any home.

Perth and Avon Valley Range

The Pinnacle Range

The new Pinnacle range of decorative concrete by Geostone® is a selection of five premium products that combine the latest design trends. From minimalist white-on-white Everest concrete for that breezy coastal feel to our striking Volcano black-on-black finish that brings elegant sophistication to any space. Each style is designed to give your space that sculptural premium finish.
